COURSES FOR YOUNG LEARNERS

LEISURE PROGRAMME

All included in course fees

During the afternoons there is a busy programme which includes:

- Beach activities, beach barbecues, adventure walks, competitions
- Swimming, football, tennis, golf, mini-golf, field games
- Boat trips and fishing, art and crafts, puzzle solving, team building

and many other activities, all fully supervised by experienced and qualified staff (including lifeguards and first-aiders). The programme includes a half-day excursion on Thursdays and a full-day excursion on Saturdays (except on weekend of departure). Professional sports coaching and horse-riding are available - ask School for prices and details.

SUPERVISION

Young Learners are supervised at all times during their stay in the UK. They are brought to School each day by the homestay family or by School minibus, and met by a member of staff. After lessons the students are supervised by activity leaders who hand them over to the homestay family at 16.00. There are **no** evening activities for students on the **Junior** course.

The **Tweens** course has been designed for students in the 12–13 years age group who still need some supervision but like a limited amount of freedom, for example shopping in small groups during the day-time when the occasion arises. They also have two evening activities each week, which include full supervision and transport to and from School/homestay.

TRANSPORT

The School has an escorted bus every Saturday from/to London Heathrow Airport, with a meeting and check-in service for unaccompanied students (*extra cost*). There is also a school car service available: experienced School drivers will meet students at the arrivals gate and assist with check-in on departure. Please ask the School for a Transport Information Pack.

JUNIOR ACCOMMODATION

Students on Young Learners courses are placed with special Junior homestay families who have children, and who provide the care and supervision as well as the correct environment for children of this age. All Junior homestays are checked by a local government agency and regularly inspected by the School. Our homestay families only take students from SIS so we can guarantee: no other students of the same nationality; no overcrowding; no adult or teenage students.

Price includes shared room, all meals (packed lunch on weekdays) daily escorted transfers to and from School, and Sunday with the homestay family.

ACCOMMODATION FEE PER WEEK: £170

Please note: the School must be informed of all medical conditions and special diets. A supplement may be charged. Please complete the special form supplied by the School.
